

We want to comment on the fcc giving priority to lpfm stations over current fm translators. We are listeners of K-LOVE radio and do not want them to lose their translators. They are a very important part of our local community. We would be devastated if they were displaced by an lpfm broadcaster. We believe they are important to our community because they provide many important services including prayer for people by their pastors 24 hours a day, Christian, positive music which is safe for our children, and services to Feed the Hungry ministry which we are supporters of. We do not want to see K-Love lose their broadcasts. Thank you for listening to our concerns. Sonny and Tracie Shoote
